“This is the true joy in life – that being used for a purpose recognized by yourself as a mighty one.

... I am of the opinion that my life belongs to the whole community and as long as I live it is my privilege to do for it whatever I can.

...I want to be thoroughly used up when I die. For the harder I work the more I live. I rejoice in life for its own sake. Life is no brief candle to me. It is a sort of splendid torch...”

This is a tent poster. Fold over each side sharply, and tape the sides together. Place it on your desk and use it to help you stay motivated during the month. Replace it each month when you get a new one.

This is the true joy in life, being used for a purpose recognized by yourself as a mighty one. Being a force of Nature instead of a feverish, selfish little clod of ailments and grievances, complaining that the world will not devote itself to making you happy. I am of the opinion that my life belongs to the whole community and as long as I live, it is my privilege to do for it what I can. I want to be thoroughly used up when I die, for the harder I work, the more I live. I rejoice in life for its own sake. Life is no brief candle to me. It is a sort of splendid torch which I have got hold of for the moment and I want to make it burn as brightly as possible before handing it on to future generations. ---- George Bernard Shaw Preface in book called: “Man and Superman: a Comedy and Philosophy.”
