There is a child inside me  
that wants to come out  
and do something  
to surprise all the adults.

~Philippe Petit

August 7, 1974, Petit snuck up and rigged a cable across the 2 towers of the World Trade Center and without a net, spent a leisurely hour crossing to the other building (he made 8 passes) where he was arrested. Later, all charges were dismissed.

This is a tent poster. Fold over each side sharply, and tape the sides together. Place it on your desk and use it to help you stay motivated during the month. Replace it each month when you get a new one.

TAPE

(Just so you don't take yourself or your office too seriously.)

Why was the muffler shop closed...?
